

## New to McKinley Health Center?

### About McKinley Health Center

McKinley Health Center serves the students at the University of Illinois at Urbana-Champaign. The Health Service Fee, which is paid as part of your enrollment, provides the funds to prepay many of your health care needs. Some of the services provided by McKinley include:

- **24 hour Dial-A-Nurse service (333-2700)** - lets you speak with a health care professional to coordinate your health care needs.
- **Visits with your Primary Care Provider** - You are automatically assigned a Primary Care Physician when you enroll at the University. The goal is for you to see the same provider while you attend the University. Having a provider who is familiar with you and your needs increases the quality of care you receive. You can change your primary care provider at any time. Other providers and nurse practitioners can see you in the event your primary care provider is unable to provide convenient access.
- **Pharmacy**
  - Many medications have a co-pay or are offered at low cost.
- **Mental Health Counseling and Treatment**
  - Provides evaluation and consultation for a variety of emotional and behavioral difficulties.
- **Immunization and Travel Clinic**
  - Administer vaccinations and allergy desensitization medications
- **Women's Health Clinic**
  - Annual gynecological exams
  - STD exams or treatment
  - Breast health issues and other reproductive health concerns.
- **Health Resource Centers** - provide over-the-counter self-care supplies at no additional charge. These include cold care products, home pregnancy test kit, yeast infection treatment kit, wound care package, condoms and lubrication or spermicidal gel.
- **Health Education Unit** - appointments available with health educators to address a wide range of health related issues which include; athletic injury, cultural issues, fitness, sexuality, nutrition, weight loss counseling, stress management and wellness issues. Outreach presentations are also available.
- **OASIS** - McKinley Health Center and the Illini Union have teamed up to provide students a center to relax, rejuvenate and refresh their health. OASIS is located in the Illini Union's lower level, near the food court. The facility offers several health and wellness opportunities for students to experience while visiting the Union.

McKinley can provide most of your non-emergency health care. Emergency care is provided by area hospitals. If you have an emergency, call 911 (9-911 from campus). Carle Foundation Hospital and Provena Covenant Medical Center both have Emergency Departments and provide ambulance service.

McKinley has been accredited by the Joint Commission on Accreditation of Health care organizations since 1961 to ensure quality care.

If you are a registered University of Illinois student and you have questions or concerns, or need to make an appointment, please call: **Dial-A-Nurse at 333-2700**

If you are concerned about any difference in your treatment plan and the information in this handout, you are advised to contact your health care provider.
